

2022 Extended Family Member ID Form

The extended family program allows you a total of (7) family members, including the primary member and qualifying extended family members. Qualified extended family members include spouse/partner, parents, children & grandchildren, siblings, and in-laws. Please list all family members, including the primary member. You must provide the **name, relationship to the primary member**, and **date of birth** for all family members listed. We also require a photo of each person listed to create membership cards. Please email photos to Alyssa McManus, Membership Coordinator, at alyssa.mcmanus@troon.com.

Children under the age of 5 will not be issued a member card, but will be admitted without charge when accompanied by an adult with a valid Bayside ID Card.

1. Primary Member Name (print): _____

2. _____

3. _____

4. _____
