2022 Member Account Update

Please update all applicable information and check boxes below to participate in Electronic Billing. If you *do not* have any changes, you do not need to return this form.

Member Name _____

Mailing Address* _____

Permanent Phone # _____

Bayside Phone # _____

Work Phone # _____

Cell Phone # _____

Email Address _____

Secondary/Spouse Email _____

**If applicable, please notify us of your winter address prior to your departure.*

Payment Options

We offer Web Member and EZ Pay as convenient ways to pay your monthly statements.

EZ Pay stores your checking account or credit card number in our PCI Compliant site and charges your balance automatically around the 20th of each month. **In 2022, we will be implementing a fee for this service of 3% of the amount charged.**

The **Web Member** payment feature will allow you online access of your charging account at Bayside. You will be able to pull up your statement, view your charges, and pay your statement online via ACH debit every month. *No fee for web member ACH.*

Please choose and adhere to one of the payment options below:

- EZ Pay ACH Debit** – I choose for my payment to automatically be made from my checking account around the 20th of every month when I have a balance due, along with a 3% fee. Enclosed is a separate EZ Pay ACH debit form. This form will need to be completed by February 14.
- Web Member** – I choose to log-on to my Web Member account online every month and make ACH payment myself. This email will be associated with your membership account.
- EZ Pay Credit Card**- I choose for my payment to automatically be made from my credit card around the 20th of every month when I have a balance due, along with a 3% fee. Enclosed is a separate EZ Pay Credit Card form. This form will need to be completed by February 14.
- Personal Check** - I choose to mail in a check every month for payment.

RETURN FORM
